Subject: Call-in number for Cummins mtg on 7/30
Date: 07/29/2008 02:04 PM

Greg,

We can use this conference call number for tomorrow's meeting if any of your Ann Arbor colleagues want to call in:

Call-in number:

Conf. Line / Ex. 6

On our side, I expect a couple of our AECD guys listening in; not sure about any Chrysler participants calling in yet.

Thanks,
Jackie Yeager
